

Facilities, Maintenance, Repair & Operating Related Supplies Contract # 102109-WWG

Confidence that you'll get what you need.

Grainger and The National Joint Powers Alliance® (NJPA), a large government cooperative, is excited to bring to NJPA Members and Grainger customers, a competitively bid contract awarded for Facilities, Maintenance, Repair and Operating related supplies.

With this renewed alliance between NJPA and Grainger, NJPA Members can take advantage of nationally leveraged price discounts on over 350,000 facilities maintenance items, plus an array of service solutions to help you reduce costs.

Begin taking advantage of the purchasing power of over 28,000 NJPA Members today.

Full Catalog Contract—Flexibility & Customization

Your NJPA contract includes all products in the Grainger catalog and on Grainger.com®, as well as those hard to find items beyond the catalog!

Your NJPA contract also includes the following:

- **NJPA Cooperative Hot List**—Discounted pricing on top categories such as Electrical, Janitorial, Safety & Security, Plumbing, HVAC, Hand & Power Tools, Fasteners, Power Transmission & Motors, Lamps & Ballasts and more!
- **Member Specific Hot List**—Customized member-specific discounted pricing.
- **Sustainability Hot List**—Discounts on products to help you meet your sustainability goals.
- **Program Discounts**—Manufacturer and catalog discounts on Lamps, Ballasts, Tools, Air Filters, Jan San and more!

Product Delivery and Availability

- In-stock items deliver 24 to 48 hours from the time of order.
- Prepaid standard ground freight on all orders.*
*(certain restrictions apply)

Service Solutions and Programs

We can help you with a variety of solutions to assist you with your initiatives and goals, and help you reduce costs.

- **Sustainable Purchases**—Take advantage of the NJPA Sustainable Hot List to help keep your facilities “green.”
- **Socio Economic Goals/Small Business Utilization**—Alliances with MWBE/Small Businesses to assist with meeting your NJPA Member goals.
- **Inventory Solutions**—Streamline processes, optimize inventory and improve productivity. (Eligibility is subject to qualifying criteria.)
- **eCommerce Solutions**—Helps you consolidate purchases online, automate processes and increase procurement control to help you reduce spend.
