

Invitation For Bid Comment and Review

The Invitation For Bid (IFB) referred to and named as Administrative Software and Related Applications # 013006. The public bid opening was held January 30, 2006 at 1:00 P.M. at the office of NJPA located at 200 1st Street NE, Staples, MN 56479. Melissa Larson, the Coordinator of Bids and Contracts facilitated the opening. Witness's present were Missy Bjerga, Coordinator of Customer Relations / Payroll for NJPA as well as Dennis Ideker, Coordinator Accounting.

Comment

Responding to the IFB were Tyler Technologies, Inc. / Munis Division, and SchoolDude. Both of these companies had outstanding responses, resulting in a multiple award of bid. Tyler Technologies has a wide variety of software from classroom to accounting, while SchoolDude is more customized for school applications. It was decided that both of these companies had a lot to offer and could serve our members effectively.
