

# CDW·G is proud to support the NJPA Consortium Contract # OC110204

At CDW·G, we're dedicated to making sure your technology solution meets your requirements before, during and after every purchase. We provide expert advice, superior customer support, competitive pricing, and extensive product and service offerings to ensure that government and education customers get the right technology, right away.

## With CDW·G, you get:

- A dedicated CDW·G account team that leads the industry in public sector customer service and product knowledge and is accessible by phone, e-mail or the Web
- Fast solutions to technology needs and same-day shipping of credit-approved orders
- A wide breadth of products from leading brand-name manufacturers
- Pre-negotiated pricing, which means less hassle for your organization
- A CDWG.com extranet that gives you customized access to your account team, product information, purchase history, quotes and order status — plus the ability to track previous orders and manage asset-tagged items
- CDW·G Software License Tracker to help your organization manage its licensing agreements and expiration dates, generate standard reports or create custom layouts
