

WINTER® BLOCKBUSTER® CLASSIC™ SYSTEM

The Road Friendly Blade That's Built to Last

PROVEN RELIABILITY

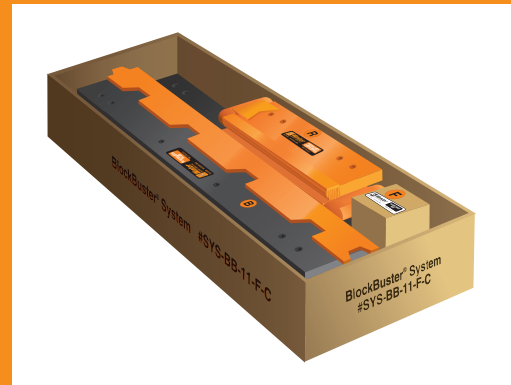

- **Increased Blade Life** - The BlockBuster® Classic™ cutting edge system contains a total of 35lbs of carbide material in the blade, guards, and moldboard.
- **High Wear Blade Protection** - Two Winter® PlowGuards protect against premature wear. Promotes even blade wear over the life of the blade which enables full use of the blade carbide
- **Improved Weight Distribution** - Longer blade wear, decreases downtime, and reduces the number of change-outs.
- **Road Friendly Protection** - The wide footprint minimizes road damage, saving you money on road maintenance.
- **Multiple Attack Angle** - Flexible system design to work on multiple attack angles.

BLOCKBUSTER® CLASSIC™ SYSTEM INCLUDES

- Three interlocking carbide insert cutting edges. Each blade section includes pre-welded abrasion resistant moldboard shoes embedded with Winter® Carbide Matrix™, and built-in steel cover blade with wear indicator.
- Two PlowGuards with Winter® Carbide Matrix™ to protect blade against premature wear.
- Two adapter plates for guard installation
- Grade 8 Steel plow bolts, washers, and lock nuts in one plow bolt kit.
- Easy assembly and optional welding instructions included.

The Winter Way™

Winter® Equipment Company is an engineering, manufacturing and welding provider across several machinery industries. Advancing its expertise in snow parts, the company has leveraged its proprietary technology and collaborative service approach, The Winter Way™ to diversify its offerings. This business model continues to contribute superior quality products and wear.

**ORDER YOUR
BLOCKBUSTER® CLASSIC™ SYSTEM
USING ONE PART NUMBER**

- **Hardware Included**
- **Systems Price Includes Prepaid Freight**
- **Order complete system with one part number**
- **Packaged in stackable and easy to store crate**
